City Announces Winners of 4th Annual Drinking Water Week Poster Contest

GRANTS PASS – For more than 40 years, the City of Grants Pass and the American Water Works Association have celebrated Drinking Water Week - a unique opportunity for communities to come together and recognize the vital role water plays in our daily lives. As part of the annual celebration, the City of Grants Pass created a Drinking Water Week Poster Contest.

This year, students submitted original artwork focused on the theme: “Go with the Flow.” Artwork was submitted in four categories: Grades K-2, 3-5, and 6-8. Entrants were allowed to use crayons, colored pencils, markers, pens, or watercolors on an 8.5” x 11” piece of paper.

Entries were judged based on creativity, originality, and relevance to theme. Nine winners were selected. Their artwork will be featured on City social media platforms and on the County buses this summer.

This year’s winners listed by category include:

K - 2 Claire Helman, Henry Helman, and Erilyn Romano

3 - 5 Gabriella Sebestyen, Emily Briseno, and Alistair Daggett

6 - 8 Salila Oldham, Trenton Wickham, and Annie Rodgers
